LIONS WILL SEEK CASH FOR BLIND

"White Cane Week" will be noted by the Torrance Lions Club next week, as it solicits funds to aid the blind, according to Ralph Morris, local chairman.

Funds collected during the week will be given to sight conservation work in Torrance. Members of the club will be in downtown Torrance and other areas on Sept. 27 and 28 to solicit money from citizens.

During the past year, the club's projects have included a braille writer for a blind child, an electro-magnet for removing steel particles from eyes was donated to Torrance Memorial Hospital, 70 free eye examinations given to needy children and 60 pairs of glasses presented free, and money to provide eye surgery was given to two citizens. In addition, the club cooperated with the Torrance schools for consultant services on eye conservation work.
